A couple were in a busy shopping center. The wife suddenly noticed that her husband was missing and as they had a lot to do, she called him on her cell phone. She said, "Where are you? You know we have lots to do." He said, "Do you remember the jewelers we were in about 10 years ago, and you fell in love with that diamond necklace? I couldn't afford it at the time and I said that one day I would get it for you?" Little tears started to flow down her cheek and she got all choked up.... "Yes, I do remember that shop." "Well, I am in the sporting goods store next door to it."

"Little by little" we came to appreciate the unique ministries of Steve Little. Not only President of Baptist Church Planters, but an interesting "wild game" dinner speaker. We had "beef jerky" plus delicious lasagna - no wild meat for our seniors, but we had a good old "wild" time.

The February 21st bus trip to Oberlin with 48 seniors was short, historical, delicious and "cultural" (art museum). There was lots of fun, and even free hugs!

April Bus Trip It's on **THURSDAY**, April 27. We will be visiting the Center of Science and Industry, better known as COSI, in Columbus. It's a state-of-the-art, 320,000 square foot facility, and a much visited "Science and Research" Museum. Our day will include a lunch in their café and a show in the GIANT screen theater entitled "Dream Big: Engineering our World." The cost is \$30 with a money back guarantee if you don't have a blast visiting the 300 interactive exhibits. The bus leaves at 8:00 am and returns by 6:00 p.m. COSI is an exciting and informative place for all ages. Senior adults will love it.

Kevin Quick, a deacon and flight nurse specialist, will share his story and experiences of his many emergencies on Metro Life Flights at our April 4th senior adult luncheon. Quick's high energy and enthusiastic presentation will kick off promptly at 11:30 a.m.
