We had summer like weather for our three day May trip to Holland, Michigan. Our four bus caravan safely transported seventy-six seniors from the Hebron Fellowship who had one fantastic time. Although the tulips were past their peak, yet tulips in their beauty abounded. We viewed the making of wooden bowls and shoes, climbed the windmill, rode a dune buggy and river cruise, and ate fabulous meals. To say we had a great time would be an understatement.

### July Birthdays:

We will attend the brand-new, 500 seat, state-of-the-art theater in Sugar Creek on August 15<sup>th</sup> (9:00 am - 6:00 pm) to see the live performance of "The Home Game." It's about an Amish boy wanting to play major league baseball, but his father's expectation is that he will remain on the farm. Cost \$55: includes a family-style dinner at Dutch Valley Restaurant.

There are NO monthly luncheons scheduled for the summer months. September 12<sup>th</sup> will be our next luncheon with pianist, Timothy Noble.

I came home to find my husband sitting on the couch watching TV. "I thought you were going to mow the lawn," I said. "I'm waiting on a part," he replied. "What part is that?" "The part of me that wants to do it."

### July 18<sup>th</sup> bus trip (8:30 am - 4:30 pm)

For \$25 you get lunch at Mary Yoder's, tour the Century Village Museum (Geauga County), and shop at End of the Commons General Store. Ride with the greatest seniors of Elyria, gorge yourself with candy and snacks and stretch your brain with quizzes and games. If you're up for fun and action, you'll enjoy this trip.

### June 6<sup>th</sup> Luncheon

Eighty seniors listened to "turkey calling" by Gary Anderson, the 2013 Grand National Champion Caller Maker, who demonstrated his unique skill at our June luncheon. And "turkey wraps" were served for lunch. And everyone said "gobble, gobble," being translated, "very, very good."
