Senior Road Trip

**Am I really in my golden age?
My body aches; my mind just slips.
It's certainly not what I expected.
I thought old folks just took trips!**

January 23 - "On the Road Again" bus trip

Our "trip" (a few short miles) is to Elyria to tour the Chronicle Newspaper and the Hickories Museum. We will eat lunch at the Blue Sky Restaurant and then make a "long" journey back to the church. The total cost is \$25 per person. The day starts at 9:30 AM and ends at 3:30 PM - with even a "surprise" factored in. Don't under value this around-the-town-short-fun-trip.

A dad found a rock and told his kids that it was a special growing rock. And if the children watered it every day, when it stopped growing he would get them a puppy. They watered it every day and once a week (while they were at school) he would exchange it for a slightly bigger rock. They never got a puppy, but there is now a boulder the size of a mini-van by their house.

Nineteen seniors visited the 19th Presidential home and museum (Rutherford B. Hayes) on Tuesday, November 21. After our great tour, we enjoyed a delightful lunch at Bob Evans in Fremont.

Our first of the year 2018 Senior luncheon will be on Tuesday, January 9 at 11:30 AM. Come prepared to "Laugh Out Loud" as in-house jokesters, would-be comedians, and glib skit characters attempt to make us laugh. This will be our first (and probably the last) of this kind of luncheon.

FINISHING STRONG

There were 1822 very enthusiastic school children and 40 seniors at the Packard Music Hall in Warren to hear the Packard Band "Christmas Concert." Lunch was at the Hometown Buffet in nearby Niles. A very fun-filled day. Let's go again next year!
