Our March 20<sup>th</sup> bus trip to Columbus included touring the ornate Statehouse, meeting with the charming Senator Gayle Manning and her son, Nathan, who is a House Representative, and visiting the only US factory which makes metal whistles (5,000 a day) and eating at the ever-popular-must-stop restaurant, the Golden Corral.

Last night I was relaxing on the sofa watching TV when I heard my wife's voice from the kitchen: "Oh sweetheart, what would you like for dinner, my love? Chicken, beef or lamb?" I said, "Thank you, darling. I'd like the chicken." She replied, "You're having leftover tuna casserole. I was talking to the dog!"
