After a hearty brunch at the Golden Corral, our three buses, loaded with 55 seniors, shuttled around Cleveland capturing the “lights” and “lure” of Christmas.

The January 8th luncheon had one of the lowest attendance in a couple of years (58), but was one of the best luncheons of all time. Dr. Scott was humorous, informative and vivacious, and everyone just loved the KFC chicken pot pie. We might have to make KFC an annual event.

The buses will fill up fast for our May 14-15 trip to Amish country in Shipshewana, Indiana. Brochures are now available with all details. A deposit of \$70 will reserve your place.

February 19 – Bus Trip - SANDUSKY, here we come. It’s Toft’s ice cream (an ideal stop for a cold winter day), Berardi’s Restaurant (Pastor Alexander said “It’s a great place to eat”), NASA Space Complex (if the government stays open), Antique Tractor Museum (they were new just a few years ago) and maybe, just maybe, the Merry-Go-Round Museum (we were there in March 2014). We’ll see it all between 9 am – 4:30 pm and just for \$25.

“I did a couple of laps around the gym today...Maybe next time I’ll actually park my car and go in.”

Captain Daniel Ashdown of the Lorain County Sheriff’s Office will speak on “ID Theft & Common Scams” at the February 5th luncheon (11:30 am). For our lunch, seniors are asked to sign up to bring one of the following dishes: (1) meat, (2) salad, (3) vegetable, or (4) dessert.
