

Washington, D.C. - September 17 - 20, 2019

21 million visitors each year. In addition to the traditional sites - Capitol, White House, Monuments, Smithsonians - our foremost purpose in visiting the U.S. Capital is to tour the incredible, must-see, one-of-a-kind Museum of the Bible which opened in November 2017. The Museum is not filled with thousands of dusty old Bibles, but utilizes the world's most advanced technology to engage people with the biblical narrative and history. Craig & Shirley Golden have contracted with Mid - Atlantic Reception Services (MARS) to assure us the most efficient, cost effective visit to Washington, D.C.
